**NOTICE OF RIGHT TO RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department the water user shall install an in-line flow meter or other suitable device for measuring and recording the quantity of water used. The type and plans of the measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department..

The quantity of water diverted at the additional points of appropriation, together with that diverted from the original point of appropriation, shall not exceed the quantity of water available from the original point of appropriation.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered November 10, 1998, at Special Order Volume 52, Page 976, approving Transfer Application 7904, and together with Certificate 75872, supercedes Certificate 45549, State record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.
