NOTICE OF RIGHT TO RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Measurement, recording and reporting conditions:

- A. The water user shall maintain the meters or other suitable measuring device approved by the Director in good working order.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

The water user shall maintain the headgate as required by the Department.

The water user shall maintain a complete record of water used each month and shall submit a report which includes the recorded water-use measurements to the District 4 Watermaster in Canyon City annually or more frequently as may be required by the Director. The water use reports shall include recorded monthly water-use measurements from each point of diversion. The reports also shall include dates of measurement and other information as may be requested by the Director. The frequency and timing of the reports may be modified upon determination of the director that an alternative frequency is needed or appropriate. The method of reporting may be by e-mail, facsimile or standard mail as agreed upon between the water user and Watermaster.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered April 20, 2012, at Special Order Volume 87, Page 193, approving Transfer Application 11137, and together with Certificate 87506, supersedes Certificate 37254, State Record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in said decree.

Issued FEB 15 2013.
