By March 1, 2015, the water user shall install an approved fish screen at the point of diversion. The water user shall provide to OWRD a written statement from Oregon Department of Fish and Wildlife (ODFW) that the installed screen meets the state's criteria, or that ODFW has determined a screen is not necessary. The water user shall maintain and operate the fish screen at the point of diversion consistent with ODFW's operational and maintenance standards. If ODFW determines the screen is not functioning properly, and is unsuccessful in working with the water user to meet ODFW standards, ODFW may

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

request that OWRD regulate the use of water until OWRD receives notification from ODFW that the fish screen is functioning properly.

This certificate is issued to confirm an HISTORIC CHANGE IN POINT OF DIVERSION approved by an order of the Water Resources Director entered FEB 28 2013, approving Transfer Application T-11370, and supersedes Certificate 10353, State Record of Water Right Certificates.
