NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new points of appropriation (wells), together with that diverted from the original point of appropriation, shall not exceed the quantity of water available from the original point of appropriation.

The water user shall maintain in-line flow meters or other suitable devices for measuring and recording the quantity of water used.

The use shall conform to such reasonable rotation as may be ordered by the proper state officer.

This certificate is issued to confirm a change in PLACE OF USE AND ADDITIONAL POINTS OF APPROPRIATION approved by an order of the Water Resources Director entered January 11, 2000, at Special Order Volume 54, Page 30, approving Transfer Application 6854, and together with Certificate 76374, supersedes Certificate 75671, State Record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.
