					CENTER 1/4 CORNER, SECTION 25

Water shall be acquired from the same aquifer (water source) as the original points of appropriation.

When required by the Department, the water user shall install and maintain an in-line flow meter or other suitable measuring device for measuring and recording the quantity of water appropriated. The type and plans of measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

This certificate is issued to confirm a change in POINT OF APPROPRIATION approved by an order of the Water Resources Director entered March 30, 2004, at Special Order Volume 59, Page 468, approving Transfer Application 7748, and together with Certificate 80630, supersedes Certificate 53851, State Record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.
