Measurement, recording and reporting conditions:

**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for  
judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS  
536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this  
order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days  
following the date the petition was filed, the petition shall be deemed denied.

- A. The water user shall maintain, in good working order, a totalizing flow meter or other suitable measuring device as approved by the Director at each point of diversion.
- B. The water user shall allow the Watermaster access to the meter or measuring device; provided however, where any meter or measuring device is located within a private structure, the Watermaster shall request access upon reasonable notice.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered August 27, 2010, at Special Order Volume 81, Page 765, approving Transfer Application T-10996, and together with Certificate 86552, supersedes Certificate 83219, State Record of Water Right Certificates.

The right to the use of the water is restricted to beneficial use on the lands or the place of use described. The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream flows.

Issued MAY 07 2013
