The water user shall maintain a headgate, an in-line flow meter, weir, or other suitable measuring device for measuring and recording the quantity of water diverted.

Water shall be acquired from the same surface water source as the original point of diversion.

The water user shall maintain and operate fish screening as required by the Oregon Department of Fish and Wildlife to prevent fish from entering the diversion.

This certificate is issued to confirm a change in POINT OF DIVERSION approved by an order of the Water Resources Director entered July 8, 2003, at Special Order Volume 57, Page 994, approving Transfer Application 8662, and supersedes Certificate 13741, State Record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described; however, water may be applied to lands which are not specifically described above, provided the holder of this right complies with ORS 540.510(3).
