NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When in the judgment of the Watermaster, the water user shall install an in line flow meter or other suitable device for measuring the water to which the water used is entitled. The type and plans of the measuring device shall be approved by the Watermaster before the beginning of construction work and that the measuring device shall be installed under the general supervision of the Watermaster.

This certificate is issued to confirm a change in POINT OF DIVERSION approved by an order of the Water Resources Director entered JULY 13, 1982, at Special Order Volume 36, Page 362, approving Transfer Application 5038, and together with Certificate 51316, supersedes Certificate 7359, State record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.
