NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The water user shall maintain an in-line flow meter or other suitable device for measuring and recording the quantity of water used.

The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon. The works constructed shall include air lines and pressure gauges or access ports for a measuring line, adequate to determine water level elevation in the wells at all times.

Water shall be acquired from the same gravel aquifer as the original point of appropriation

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in POINT OF APPROPRIATION, approved by an order of the Water Resources Director entered JUNE 8, 1999, at Special Order Volume 53, Page 837, approving Transfer Application 8048, and supercedes Certificate 75817, State record of Water Right Certificates.
