NOTICE OF RIGHT TO RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may either petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department the water user shall install an in-line flow meter or other suitable device for measuring and recording the quantity of water used. The type and plans of the measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

Water shall be acquired from the same aquifer as the original point of appropriation.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to correct an error in the spelling of the water right holders last name and confirms a change in PLACE OF USE AND POINT OF APPROPRIATION approved by an order of the Water Resources Director entered MAY 4, 1998, at Special Order Volume 52, Page 472, approving Transfer Application 7382, and supercedes Certificates 56538 and 88242, State record of Water Right Certificates.

Issued AUG 16 2013.

A handwritten signature in black ink, appearing to read "Dwight W. French", is written over a horizontal line.
