NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department the water user shall install an in-line flow meter or other suitable device for measuring and recording the quantity of water used. The type and plans of the measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The quantity of water diverted at the new point of appropriation (WELL #8), together with the quantity diverted at the original point of appropriation (WELL #5) shall not exceed the quantity of water available from the original point of appropriation.

Water shall be acquired from the same aquifer as the original point of appropriation.

The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon.

The right to the use of the water for the purposes aforesaid is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in PLACE OF USE and an ADDITIONAL POINT OF APPROPRIATION AND PLACE OF USE approved by an order of the Water Resources Director entered February 17, 2005, at Special Order Volume 63, Page 311, approving Transfer Application T- 8787, and supersedes Certificate 80441, State Record of Water Right Certificates.
