The use of water is subject to the terms and conditions of an Order of the State Engineer recorded in Special Order Records Volume 14, Pages 216 through 226, Special Order Records of the Water Resources Department.

This certificate describes that portion of the water right confirmed by Certificate 79377, State Record of Water Right Certificates, NOT modified by the provisions of an order of the Water Resources Director entered July 14, 2014, approving Transfer Application T-11676.

The issuance of this superseding certificate does not confirm the status of the water right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described. The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream flows.

WITNESS the signature of the Water Resources Director, affixed July 14, 2014.
