The use hereunder for irrigation shall conform to such reasonable rotation system as may be
ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other
right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per
acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such
right is appurtenant (if for irrigation or any other purpose), is as follows: **NW¹SE¹, Section 25,**
Towaship 7 South, Range 4 West, Willamette Meridian, in Polk County, Oregon, being
within Block 8 of the town of Eola.

The right to the use of the water for any purpose is restricted to the lands or place of use
herein described.

After the expiration of fifty years from the date of this certificate or on the expiration of
any federal power license issued in connection with this right, and after not less than two years
notice in writing to the holder hereof, the State of Oregon, or any municipality thereof, shall have
the right to take over the dams, plants and other structures and all appurtenances thereto which have
been constructed for the purpose of devoting to beneficial use the water rights specified herein, upon
condition that before taking possession the State or municipality shall pay not to exceed the fair
value of the property so taken, plus such reasonable damages, if any, to valuable, serviceable and
dependable property of the holder of this certificate, not taken over, as may be caused by the
severance therefrom of the property taken in accordance with the provisions of section 5728,
Oregon Laws.

WITNESS the signature of the State Engineer,

affixed this **18th** day
of **April**, 19**27**
of **CHAS. E. STRICKLIN**

State Engineer.
