NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When in the judgment of the Watermaster it becomes necessary to install headgates and measuring devices:

That the diversion works shall include an in-line flow meter, a weir, or other suitable device for measuring the water to which the water user is entitled;

That the type and plans of the measuring device be approved by the watermaster before the beginning of construction work and that the weir or measuring device be installed under the general supervision of said watermaster.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described, and is subject to all other conditions and limitations contained in the decree.

This certificate is issued to confirm a change in USE approved by an order of the Water Resources Director entered AUGUST 16, 1984, at Special Order Volume 38, Page 396, approving Transfer Application 5430, and together with Certificate 52536, supercedes Certificate 51725, State record of Water Right Certificates.
