The quantity of water diverted at the new point of diversion shall not exceed the quantity of water available from the original point of diversion described as follows:

Twp	Rng	Mer	Sec	Q-Q
4 S	10 W	WM	8	SE SE

The water user shall maintain and operate the existing measurement device and shall make such improvements as may be required by the Department.

The water user shall maintain the existing headgate and shall make such improvements as may be required by the Department.

The water user shall maintain and operate fish screening and by-pass device as required by the Oregon Department of Fish and Wildlife to prevent fish from entering the diversion.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described; however, water may be applied to lands which are not specifically described above, provided the holder of this right complies with ORS 540.510(3).

This certificate is issued to confirm changes in POINT OF DIVERSION AND PLACE OF USE approved by an order of the Water Resources Director entered JANUARY 31, 2011, at Special Order Volume 83, Page 461, approving Transfer Application 11126, and together with Certificate 86807, supersedes Certificate 32238, State record of Water Right Certificates.
