NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484 and ORS 536.075. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 183.484, ORS 536.075 and OAR 137-004-0080, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied. In addition, under ORS 537.260 any person with an application, permit or water right certificate subsequent in priority may jointly or severally contest the issuance of the certificate within three months after issuance of the certificate.

The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon. The works shall include an air line and pressure gauge or an access port for measuring line, adequate to determine water level elevation in the well at all times.

The water user shall maintain a weir, meter, or other suitable measuring device, and shall keep a complete record of the amount of groundwater withdrawn.

The right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein for the lands described as supplemental.

All or a portion of this right shares the same place of use as a primary irrigation Claim in the Lost River Adjudication. Pursuant to OAR 690-380-5120, when two or more primary irrigation rights are on the same land, the right with the oldest priority date shall be considered the primary water right unless the applicant designates a right, other than the right with the oldest priority date, as the primary water right. All other water rights shall be regarded as supplemental.

In the event that primary irrigation rights are not determined in the Lost River Adjudication for lands identified as supplemental irrigation under the terms of this right, this right may be exercised as primary irrigation.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

Issued APR 04 2016.
