NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The water user shall maintain the headgate as required by the Department.

The Director may require the water user to install a totalizing flow meter or other suitable measuring device at the point of diversion. If the Director notifies the water user to install a totalizing flow meter or other measuring device, the water user shall install such device specified by the Director within the period allowed in the notice. Once installed, the water user shall maintain the meter or measuring device in good working order and shall allow the Watermaster access to the meter or measuring device.

Within one year after receiving written notification from the Oregon Department of Fish and Wildlife (ODFW) that a fish screen is required, the water user shall install a screen at the new point of diversion. The fish screening must meet ODFW's design and construction standards. Prior to installation, the water user shall obtain written approval from ODFW that the required screen meets ODFW's criteria. Once installed the water user shall maintain and operate the fish screen at the point of diversion consistent with ODFW's operational and maintenance standards.

The right to the use of the water is restricted to the beneficial use at the place of use described, and is subject to all other conditions and limitations.

This certificate is issued to confirm a change in POINT OF DIVERSION AND PLACE OF USE approved by an order of the Water Resources Director entered March 22, 2012, at Special Order Volume 87, Page 224, approving Transfer Application 11234, and together with Certificate 87498, supercedes Certificate 468, State record of Water Right Certificates.
