NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new point of diversion, together with the quantity diverted at the original point of diversion, shall not exceed the quantity of water lawfully available at the original point of diversion described as follows:

Twp	Rng	Mer	Sec	Q-Q	Measured Distances
2 S	39 E	WM	32	SW NE	ORIGINAL POD - 630 FEET NORTH AND 50 FEET EAST FROM C1/4 CORNER, SECTION 32

When required by the Department, the water user shall install and maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted. The types and plans of the headgate and measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

Water shall be acquired from the same surface water source as the original point of diversion.

The water user shall maintain fish screens and/or fish by-pass device for new point of diversion as approved by the Oregon Department of Fish and Wildlife.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm changes in POINT OF DIVERSION and PLACE OF USE approved by an order of the Water Resources Director entered JULY 30, 2004, at Special Order Volume 60, Page 842, approving Transfer Application 9123 supersedes Certificate 35178, State record of Water Right Certificates.
