NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Measurement, recording and reporting conditions:

- A. The water user shall maintain the totalizing flow meter or other suitable measuring device as approved by the Director in good working order, at each point of appropriation.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described. The right is subject to minimum flows established by the Water Resources Commission with an effective date prior to this right.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered JANUARY 13, 2012, at Special Order Volume 85, Page 932, approving Transfer Application 10117, and together with Certificate 83618, supersedes Certificate 57883, State record of Water Right Certificates.
