NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- a. The water user shall maintain the totalizing flow meters or other suitable measuring devices in good working order at each point of diversion.
- b. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

The water user shall maintain and operate a fish screen at the point of diversion consistent with the Oregon Department of Fish and Wildlife's operational and maintenance standards.

The use of water allowed herein may be made only at times when sufficient water is available to satisfy all prior rights, including prior rights for maintaining instream flows.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm changes in POINT OF DIVERSION and PLACE OF USE approved by an order of the Water Resources Director entered January 14, 2014, at Special Order Volume 91, Page 699, approving Transfer Application 11274, and together with Certificate 89056, supersedes Certificate 88101, State record of Water Right Certificates.
