NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The following provisions shall be effective when in the judgement of the watermaster it becomes necessary to install headgates and measuring devices:

That the diversion works shall include an in line flow meter, a weir, or other suitable device for measuring the water to which the water user is entitled;

That the type and plans of the measuring device be approved by the watermaster before the beginning of construction work and that the weir or measuring device be installed under the general supervision of said watermaster.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described.

This certificate is issued to confirm changes in POINT OF DIVERSION AND PLACE OF USE approved by an order of the Water Resources Director entered August 22, 1980, at Special Order Volume 33, Page 610, approving Transfer Application T-2633, and supercedes Certificate 2258, State record of Water Right Certificates.
