The Director may require water level or pump test results every ten years.

When required by the department, the user shall install and maintain a weir, meter or other suitable measuring device and shall keep a complete record of the amount of ground water withdrawn.

The use of water shall be limited when it interferes with any prior SURFACE OR GROUNDWATER rights of others.

The wells shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon.

Failure to comply with any of the provisions of this right may result in action including, but not limited to restrictions on the use, civil penalties, or cancellation of the right.

This right is for the beneficial use of water without waste. The water user is advised that new regulations may require the use of best practical technologies or conservation practices to achieve this end.

This certificate describes that portion of the water right confirmed by Certificate 89368, State Record of Water Right Certificates, NOT modified by the provisions of an order of the Water Resources Director entered AUG 07 2018, approving Transfer Application T-12536.

The issuance of this superseding certificate does not confirm the status of the water right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

WITNESS the signature of the Water Resources Director, affixed AUG 07 2018.
