13 S	24 E	WM	14	NE NW	3.0

Measurement, recording and reporting conditions:

- A. The water user shall maintain, in good working order, a totalizing flow meter or other suitable measuring device as approved by the Director at each point of diversion.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

Water use measurement conditions: All current, existing flow-meters or other measurement devices shall be maintained in good working order and the water user shall allow the Watermaster access to the meters or measuring device; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in said decree.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered MARCH 22, 2018, at Special Order Volume 107, Page 915, approving Transfer Application 12612, supersedes Certificate 88259, State Record of Water Right Certificates.

Issued NOV 12 2019.
