Water use measurement conditions:

- A. The water user shall maintain the totalizing flow meter or other suitable measuring device approved by the Director at each point of diversion in good working order.
- B. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

The use shall conform to such reasonable rotation system as may be ordered by the proper state officer.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described and is subject to the existing minimum flow policies established by the Water Policy Review Board.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered JANUARY 10, 2020, at Special Order Volume 114, Page 809, approving Transfer Application T-13228, supersedes Certificate 48445, State Record of Water Right Certificates.

Issued JUL 31 2020.
