NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- A. The water user shall maintain, in good working order, the meter or measuring device as approved by the Director at each new point of diversion.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

The water user shall operate and maintain the fish screen at the new point of diversion consistent with Oregon Department Fish and Wildlife (ODFW) operational and maintenance standards.

The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm a change in POINT OF DIVERSION and PLACE OF USE approved by an order of the Water Resources Director entered May 27, 2015, at Special Order Volume 95, Page 889, approving Transfer Application 11920, supercedes Certificate 65750, State record of Water Right Certificates.

Issued JUL 16, 2021.
