NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- A. The water user shall maintain the totalizing flow meter or measuring device in good working order, at the new point of diversion.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the watermaster shall request access upon reasonable notice.

The water user shall maintain a headgate to control and regulate the quantity of water diverted as required by the Department.

The water user shall maintain and operate fish screening and/or by-pass devices as required by the Oregon Department of Fish and Wildlife to prevent fish from entering the diversion.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in POINT OF DIVISION approved by an order of the Water Resources Director entered April 8, 2010, at Special Order Volume 80, Page 581, approving Transfer Application T-10794, supercedes Certificate 85951, State record of Water Right Certificates.
