**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new point of diversion, together with that diverted at the old point of diversion, in total shall not exceed the quantity of water lawfully available at the original point of diversion before it can be diverted at the new point of diversion.

The water user shall maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted.

The right to use water for irrigation purposes is restricted to the lands or place of use herein described and is subject to all other conditions and limitations contained in said Decree.

This certificate is issued to correct scrivener errors in the coordinates for the Oliver and Sullivan Ditch and to correct the Tract numbers in the place of use table. This certificate supersedes Certificate 95214, State Record of Water Right Certificates.

Issued DEC 18 2020.
