(NOTE: This land is also irrigated from water stored in Fish Lake Reservoir)

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Prior to October 1, 2022, the water user shall install and maintain a fish screen or fish by-pass device, as appropriate, at the new point of diversion. The type and plans of the screen or by-pass device must be approved by the Oregon Department of Fish and Wildlife prior to beginning of construction, and shall be installed under the supervision of the Department of Fish and Wildlife.

This certificate is issued to confirm an HISTORIC ADDITIONAL POINT OF DIVERSION approved by an order of the Water Resources Director entered AUG 18 2021 approving Transfer Application T-13356, and supersedes Certificate 10249, State Record of Water Right Certificates.

AND said right shall be subject to all other conditions and limitations contained in said Decree.

The right to the use of the water for irrigation purposes is restricted to the lands or place of use herein described.

WITNESS the signature of the Water Resources Director, affixed AUG 18 2021.
