NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new additional points of diversion, together with that diverted at the original point of diversion shall not exceed the quantity of water lawfully available at the original point of diversion described.

The water user shall maintain the totalizing flow meters at each new point of diversion, or, with approval from the Director, another suitable measuring devices, in good working order. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

The water user shall maintain and operate the fish screen and/or by-pass device, as appropriate, at the new point of diversion consistent with Oregon Department of Fish and Wildlife's operational and maintenance standards.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described and is subject to the existing minimum flow policies established by the Water Policy Review Board.

This certificate is issued to confirm ADDITIONAL POINTS OF DIVERSION approved by an order of the Water Resources Director entered January 10, 2012, at Special Order Volume 85, Page 904, approving Transfer Application T-10934, supercedes Certificate 48441, State record of Water Right Certificates.

Issued OCT 01 2021.
