**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department, the water user shall install and maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted. The type and plans of the headgate and measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described and is subject to the existing minimum flow policies established by the Water Policy Review Board.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered September 18, 2001, at Special Order Volume 55, Page 992, approving Transfer Application 8817, and together with Certificate 77608, supercedes Certificate 46771, State record of Water Right Certificates.

Issued OCT 15 2021.
