- VII. Following settlement discussions between the Department, Applicant, and Protestant, all parties agree that all issues raised in Protestant's protest to the Preliminary Determination on Transfer Application T-12072 are resolved solely on the following terms.

Terms of Agreement

1. In signing this Settlement Agreement, Protestant withdraws its protest and any associated request for contested case hearing regarding the Preliminary Determination for Transfer Application T-12072 with prejudice.
2. Regarding Transfer Application T-12072, Protestant and Applicant hereby expressly waive all right and opportunity to file a protest or request for contested case hearing, request for reconsideration, exceptions, or to seek judicial review of the Final Order, in addition to waiving any right and opportunity to challenge this Settlement Agreement, which includes the attached draft Final Order Incorporating Settlement Agreement.

The Final Order will incorporate this Settlement Agreement by reference and as an attachment.
6. The Applicant agrees to limit its pumping from Wells 6 and 7 to serve only the places of use located in Taxlot 300; to limit its pumping from Wells 1, 2, 3, 4, 5, 8, 9, 10, 11, and 12 to serve only the places of use located in Taxlots 100, 401, 500, and 600 and consistent with the amended transfer application maps; to limit all wells to their current authorized duty which is limited to a diversion of not to exceed 3.0 acre-feet per acre for each acre irrigated during the irrigation season of each year; to maintain totalizing flowmeters on all wells; and to allow the watermaster to read said flowmeters annually during the week of August 1 and at the end of the irrigation season. The Parties acknowledge and agree that these actions will eliminate any alleged injury to Protestant's exempt domestic and livestock uses resulting from Transfer Application T-12072.
7. Each Party to this Settlement Agreement represents, warrants, and agrees that the person who executes this Settlement Agreement on its behalf has the full right and authority to enter into

this Settlement Agreement on behalf of that Party and bind that Party to the terms of this Settlement Agreement.
