NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- A. The water user shall maintain the totalizing flow meter or measuring device, as approved by the Director, in good working order, at each new point of appropriation.
- B. The water user shall allow the watermaster access to the meter or measuring device; provided however, where the meter or measuring device are located within a private structure, the watermaster shall request access upon reasonable notice.

Water shall be acquired from the same aquifer (water source) as the original point of appropriation.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm a change in POINT OF APPROPRIATION approved by an order of the Water Resources Director entered March 17, 2017, at Special Order Volume 104, Page 182, approving Transfer Application T-12266, supercedes Certificate 55078, State record of Water Right Certificates.

Issued OCT 29 2021.
