The quantity of water diverted at the additional point(s) of appropriation (wells), together with that diverted at the original point(s) of appropriation, shall not exceed the quantity of water available from the original point(s) of appropriation.

**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- A. The water user shall maintain, in good working order, a totalizing flow meter or another suitable measuring device as approved by the Director, at the additional point of appropriation,
- B. The water user shall allow the Watermaster access to the meter or measuring device; provided however, where the meter or measuring device is located within a private structure, the Watermaster shall request access upon reasonable notice.

Water shall be acquired from the same aquifer (water source) as the original point of appropriation, by constructing the well so as to access the shallow alluvial aquifer only, excluding contribution from the underlying basalt aquifer.

The right to the use of the water for the above purposes is aforesaid restricted to lands or place of use herein described.

This certificate is issued to confirm an ADDITIONAL POINT OF APPROPRIATION approved by an order of the Water Resources Director entered November 12, 2013, at Special Order Volume 91, Page 512, approving Transfer Application T-11569, and together with Certificate 88965, supercedes Certificate 42315, State record of Water Right Certificates.
