NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The following provisions shall be effective when in the judgment of the Watermaster it becomes necessary to install measuring devices:

That the pump system shall include an in line flow meter or other suitable device for measuring the water to which the water use is entitled;

That the type and plans of the measuring device be approved by the Watermaster before the beginning of construction work and that the measuring device be installed under the general supervision of said Watermaster.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

This certificate is issued to confirm a change in POINT OF APPROPRIATION and PLACE OF USE approved by an order of the Water Resources Director entered November 28, 1984, at Special Order Volume 38, Page 537, approving Transfer Application T-5531, supercedes Certificate 50506, State record of Water Right Certificates.
