Water use measurement conditions:

- a) The water user shall maintain the totalizing flow meter, or, another suitable measuring device, as approved by the director, at the Murphy Electric Irrigation Inc. pump station, if the diversion is brought back into operation.
- b) The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Said right shall be subject to all other conditions and limitations contained in said decree.

The right to the use of the water for the purposes aforesaid is restricted to the lands or the place of use herein described.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered June 30, 2021, at Special Order Volume 120, Page 1036, approving Transfer Application T-13498, and together with Certificate 95649, supersedes Certificate 54510, State record of Water Right Certificates.
