NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water use measurement conditions:

- A. The water user shall maintain the totalizing flowmeter or other suitable measuring device as approved by the Director in good working order at each point of appropriation (new and existing).
- B. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

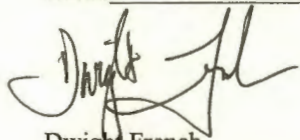

The quantity of water diverted at the new additional point of appropriation (Well APOA), together with that diverted at the original point of appropriation (Well 3), shall not exceed the quantity of water lawfully available at the original point of appropriation (Well 3).

Water shall be acquired from the same aquifer (water source) as the original point of appropriation.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in ADDITIONAL POINT OF APPROPRIATION approved by an order of the Water Resources Director entered MARCH 30, 2022, at Special Order Volume 122, Page 667, approving Transfer Application T-13715, and together with Certificate 96151, supersedes Certificate 89306, State Record of Water Right Certificates.
