NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Water shall be acquired from the same aquifer (water source) as the original point of appropriation.

The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon. The works shall be equipped with a usable access port, and may also include an air line and pressure gauge to determine the water level elevation in the well at all times.

The water user shall maintain an in-line flow meter or other suitable device for measuring and recording the quantity of water.

The use shall conform to such reasonable rotation system as may be ordered by the proper state officer.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered December 30, 2017, at Special Order Volume 98, Page 542, approving Transfer Application T-12089, and together with Certificate 91127, supersedes Certificate 87464, State record of Water Right Certificates.
