NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the additional point of diversion (APOD 3), together with that diverted at the original points of diversion (POD 1 and POD 2), shall not exceed the quantity of water lawfully available at the original points of diversion (POD 1 and POD 2).

The water user shall operate and maintain an approved fish screen at the old points of diversion.

The water user shall operate and maintain an approved fish screen at the new point of diversion consistent with Oregon Department of Fish and wildlife's operational and maintenance standards.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described. This right is subject to minimum flows established by the Water Resources Commission with an effective date prior to this right.

This certificate is issued to confirm an ADDITIONAL POINT OF DIVERSION approved by an order of the Water Resources Director entered December 11, 2019, at Special Order Volume 114, Page 578, approving Transfer Application T-12835, supersedes Certificate 64644, State record of Water Right Certificates.
