**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the additional point of appropriation, together with that diverted at the original points of appropriation, shall not exceed the quantity of water lawfully available from the original points of appropriation.

Water shall be acquired from the same aquifer (water source) as the original point of appropriation.

The water user shall maintain and operate an in-line flow meter or other suitable device for measuring and recording the quantity of water diverted. The type and plans of the measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The wells shall be maintained in accordance with the general standards for Construction and Maintenance of water wells in Oregon.

The right to the use of the water for the above purpose is restricted to beneficial use on the place of use described.

This certificate is issued to confirm an ADDITIONAL POINT OF APPROPRIATION AND A CHANGE IN PLACE OF USE approved by an order of the Water Resources Director entered January 26, 2009, at Special Order Volume 77, Page 148, approving Transfer Application T-9420, and together with certificate 84982, supersedes Certificate 80945, State record of Water Right Certificates.
