CERTIFICATE OF WATER RIGHT

(For rights perfected under original, enlargement or secondary permits)

This is to Certify, That JOHN W. ROESSLE

of R.F.D.No. 1, Box 26, Grants Pass, State of Oregon, has made proof to the satisfaction of the STATE WATER BOARD of Oregon, of a right to the use of the waters of three small springs, a tributary of Jump-off-Joe Creek

, for the purpose of the irrigation of six acres of land and domestic use

under Permit No. 971 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon and duly confirmed by order of the STATE WATER BOARD of Oregon, made and entered

of record in the Record of Proceedings of said Board, at Salem, in Volume 1,

at page 191, on the 1st day of September, 1915; that the priority of

the right hereby confirmed dates from November 25, 1911; that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not

exceed 0.18 cubic foot per second. The use for irrigation purposes hereunder shall conform to any reasonable rotation system ordered by the proper State Officer.

A description of the lands under such right, and to which the water hereby confirmed is appurtenant, or, if for other purposes, the place where such water is put to beneficial use, is as follows: 6 acres in the West half of Southwest quarter of Northwest quarter of Section Twelve (12), Township Thirty-five (35) South, Range Six (6) West of Willamette Meridian, in Josephine County, Oregon.

The appropriation for irrigation purposes is hereby limited to one-eightieth of one cubic foot per second for each acre irrigated, or its equivalent in case of rotation; balance of appropriation for domestic use.

This certificate is issued to correct certificate recorded in Vol. 2 at page 930 of State Record of Water Right Certificates, and on page 27 of Vol. 1 of Certificate of Water Right Records of Josephine County, Oregon, which erroneously referred to the three small springs from which this appropriation is made, as being tributary to Louse Creek, whereas they are all tributary of Jump-off-Joe Creek.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from the date of priority of the right, as herein set forth, subject to a preference right of renewal under the laws existing at the date of the expiration of the right for power purposes, as hereby confirmed and limited.

Witness the seal and signature of the STATE

WATER BOARD affixed this 26th day
