NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The water user shall maintain and operate all existing measurements devices and shall make such improvements as may be required by the Department.

When required by the department, the water user shall install, maintain and operate a headgate to control and regulate the quantity of water diverted. The type and plans of the headgate must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described. The right is subject to minimum flows established by the Water Resources Commission with an effective date prior to this right.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered March 14, 2008, at Special Order Volume 74, Page 394, approving Transfer Application T-10320, and together with Certificate 83699, supersedes Certificate 60951, State record of Water Right Certificates.
