The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon.

The works shall include an airline and pressure gauge or an access port for a measuring ling, adequate to determine the water level elevation in the well at all times.

The user shall maintain a weir, meter, or other suitable measuring device, and shall keep a complete record of the amount of ground water withdrawn.

The quantity of water diverted at the additional point of appropriation (New Well 4), together with that diverted at the original point of appropriation (Well 2), shall not exceed the quantity of water lawfully available from the original point of appropriation (Well 2).

Water shall be acquired from the same alluvial aquifer (water source) as the original points of appropriation.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in ADDITIONAL POINT OF APPROPRIATION approved by an order of the Water Resources Director entered JUNE 17, 2020, at Special Order Volume 116, Page 937, approving Transfer Application T-13164, supersedes Certificate 82599, State Record of Water Right Certificates.
