**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon. The water user shall maintain a weir, meter or other suitable measuring device to keep a complete record of the amount of groundwater withdrawn.

Measurement, recording and reporting conditions:

- A. The water user shall maintain the totalizing flow meter or other suitable measuring device, as approved by the Director, in good working order at each new point of appropriation.
- B. The water user shall allow the watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices is located within a private structure, the watermaster shall request access upon reasonable notice.

Water shall be acquired from the same aquifer (water source) as the original point of appropriation.

The right to the use of water for the above purpose is restricted to beneficial use on the lands or place of use described.

This certificate is issued to confirm a change in POINT OF APPROPRIATION and PLACE OF USE approved by an order of the Water Resources Director entered January 18, 2022, at Special Order Volume 122, Page 323, approving Transfer Application T-13359, and together with Certificate 95998, supercedes Certificate 94851, State record of Water Right Certificates.

Issued NOV 01 2024.
