This certificate is to correct and supersede that certain water right certificate issued on October 17, 1921, and recorded in the State Record of Water Right Certificates in Volume 4, Page 3352, in order to show correctly the place of use in Township 19 South, Range 31 East, instead of Township 19 South, Range 32 East, as said place of use was erroneously described in the original certificate.

The right to the use of the water for any purpose is restricted to the lands or place of use herein described.

After the expiration of fifty years from the date of this certificate or on the expiration of any federal power license issued in connection with this right, and after not less than two years notice in writing to the holder hereof, the State of Oregon, or any municipality thereof, shall have the right to take over the dams, plants and other structures and all appurtenances thereto which have been constructed for the purpose of devoting to beneficial use the water rights specified herein, upon condition that before taking possession the State or municipality shall pay not to exceed the fair value of the property so taken, plus such reasonable damages, if any, to valuable, serviceable and dependable property of the holder of this certificate, not taken over, as may be caused by the severance therefrom of the property taken in accordance with the provisions of section 5728, Oregon Laws.

WITNESS the signature of the State Engineer,

affixed this 17th day
of November, 1932

CHAS. E. STRICKLIN

State Engineer.
