NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new point of diversion, shall not exceed the quantity of water lawfully available at the original point(s) of diversion, described as follows:

MILL CREEK (AKA WAGGIE CREEK): ADAMS DITCH #2 AND #3

SPRING CREEK: ADAMS DITCH #4

When required by the Department, the water user shall install and maintain a headgate, in-line flow meters, weirs, or other suitable devices for measuring and recording the quantity of water diverted, including the quantity of water placed in and taken out of Spring Creek. The type and plans of the headgate and measuring devices must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

Water shall be acquired from the same surface water sources as the original point of diversion.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in the decree.

This certificate is issued to confirm a change in POINT OF DIVERSION approved by an order of the Water Resources Director entered September 29, 1997, at Special Order Volume 51, Page 1164, approving Transfer Application T-6636, and together with Certificate 83241, supercedes Certificate 3972, State record of Water Right Certificates.

Issued JUL 25 2025.
