Water use measurement conditions:

- A. The water user shall maintain the measuring device, in good working order, at each point of diversion.
- B. The water user shall allow the Watermaster access to the measuring devices; provided however, where the measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described, and is subject to the existing minimum flow policies established by the Water Policy Review Board.

This certificate is issued to confirm a change in PLACE OF USE approved by an order of the Water Resources Director entered April 5, 2018, at Special Order Volume 107, Page 1009, approving Transfer Application T-12644, and together with Certificate 93661, supercedes Certificate 44466, State record of Water Right Certificates.

Issued SEP 26 2025.
