NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.482. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.482. Pursuant to ORS 183.482, ORS 536.075 and OAR 137-003-0675, you may petition for judicial review and petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The quantity of water diverted at the new point of diversion (Bridge), shall not exceed the quantity of water lawfully available at the original points of diversion (Slough and Parker Ditch).

Water use measurement conditions:

- A. The water user shall maintain the totalizing flow meter, or, with prior approval of the Director, another suitable measuring device, in good working order at each new point of diversion.
- B. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in the decree.

This certificate is issued to confirm a change in POINT OF DIVERSION approved by an order of the Water Resources Director entered March 5, 2020, at Special Order Volume 116, Page 220, approving Transfer Application T-12934, supercedes Silvies River Decree 1926, Volume 9, Page 79 (Lute Parker), State record of Water Right.

Issued September 4, 2026.
