

MAP TO ACCOMPANY  
WATER APPLICATION  
OF  
Sisters Water Users Association  
Sisters - Oregon.

Note:-

Map shows also old point of diversion from Squaw Cr.  
also new point of diversion since Oct. 1927 as well as  
New filing on Spring water to be picked up in buried  
open joint tile line. When Squaw Creek is dry at certain  
times of year a little water from Springs flows into Creek  
but sinks before flowing more than 200 ft.

8
