CERTIFICATE

I, the undersigned, Chief Engineer Oregon, do hereby certify that this map was made from an actual survey made by me, that the same conforms to the provisions of the act described in the accompanying specifications, and that the same is the true and correct plan and has written thereon the name of each smallest legal subdivision which it is proposed to irrigate.

Witness my hand and seal at
Salem, Oregon, this 22nd day of April, 1912.

E. J. Lloyd
Chief Engineer

Application No. 4263
Project No. 2387

LEGEND

Diversion structure is located on small cross-section shown. Shadings signify area to be conveyed from reservoir to point of diversion, and also a head of water from section of ditch opening. Also from 35 feet from section of ditch. Sec. 25, T. 2 N., R. 10 E., W. 3 W., Hood River Co., Oregon. The distance is by water along north-south line of section, and by road, between point of diversion and the right of way of ditch, and 500 feet.
