

A hand-drawn map on a grid. The grid consists of 4 columns and 4 rows. In the top right corner, a creek is shown flowing from the top edge towards the right edge, labeled "CREEK" with an arrow. A point on the creek is labeled "DIV. PT.". To the left of this point, a distance of "1.4 A." is marked. A line segment, possibly a road or path, runs diagonally from the bottom left towards the "DIV. PT." area. A small shaded rectangular area is located near the "DIV. PT." label. In the center of the grid, there is a small vertical line segment.
